
Flip-Flap Quiz

Learning Outcomes:

- To learn some basic drug information.

Equipment:

- Flip-Flap Quiz template

Instructions:

- Initially, you can make (or get the child(ren) to make) the Flip-Flap, either by printing off and cutting out the template provided, or by drawing it out on a square piece of paper.
- Fold the Flip-Flap. (If you are not sure how to do this, this You Tube video will help (<https://www.youtube.com/watch?v=33dNfGqh9L8>))
- Then you can use the Flip-Flap you have made to try and answer the questions – either individually, or as a quiz.

National Curriculum: Primary: Pupils should know the facts about legal and illegal harmful substances and associated risks, including smoking, alcohol use and drug taking.
